Poem for Emily

Caught a ray of morning sunshine
Put it in a loaf for you and me.
Held a whiff of pearly valley lillies
Set it in the open oven door.

Found a bit of moonlit butter
Star made honey (sweet)
Spread it on a still warm slice
Bread of summer season wheat.

Holly Boyajian

The Dope Addict

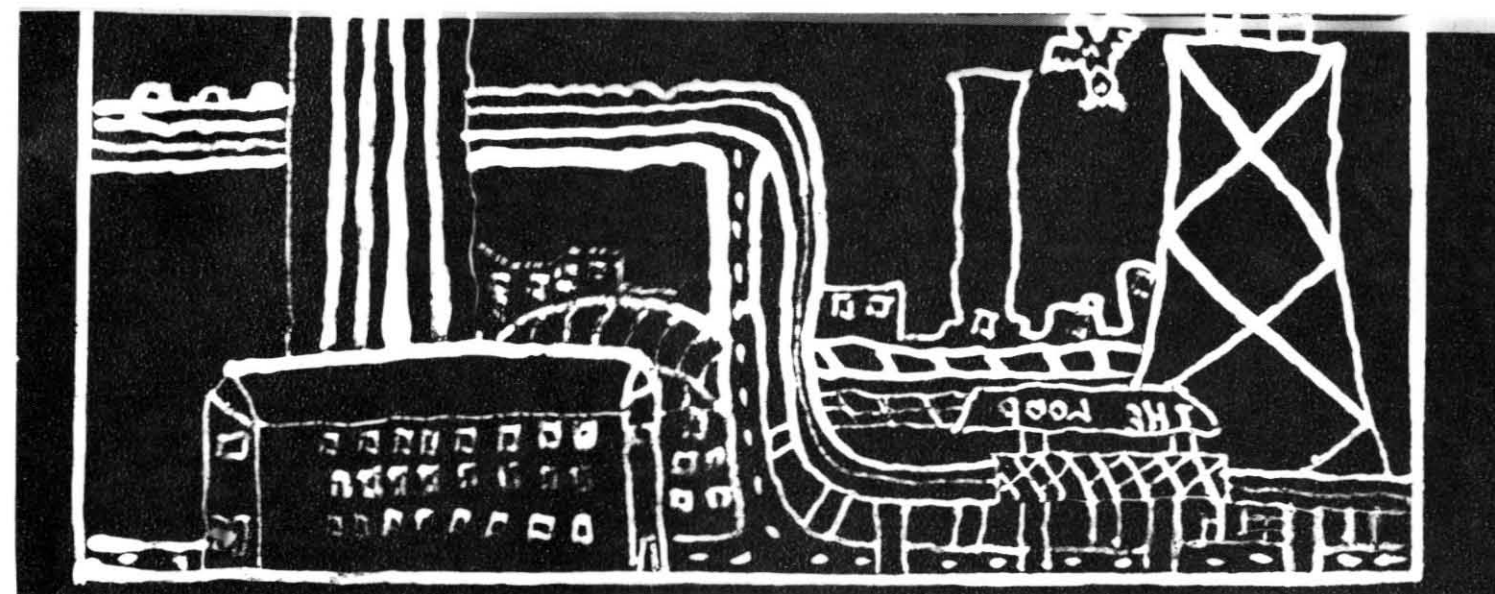

When taking a couple of pills
You get a nice high
And think
That's a wonderful thrill
Or even smoke pot
You think it's helping you a lot,
When taking dope in the arm
It'll do no harm
And when it's gone
You'll be shaking like a thief
And need relief
And ball up in a knot
And need another shot

Michael Kidd

Lewis Hudnall

You'll rob an old man
And hit him on the head
A few days later he'll turn up
dead
You'll crawl on your knees
And fall to the floor
But you're almost there
But can't reach the door
Just lay there baby
Go on and cry
It ain't no use
You're goon die!
